# 2x2 Display Ad Network Guidelines

Basic ad size is 2 columns x 2". However, due to the various column widths of newspapers, some ads may be reduced to fit.

We also accept 1x4 (1.833" wide x 4" deep) display ads at the same price of a 2x2.

We also accept 2x4 (3.792" wide x 4" deep) and 1x8 (1.833"x 8" deep) display ads at twice the price of a 2x2.

NPAS guarantees that ads will be distributed to all participating newspapers. We will monitor newspapers periodically to make sure ads are being published. We do not guarantee 100% of participating newspapers will publish an accepted ad.

NPAS will request specific section placement for advertisers, however, we cannot guarantee placement. Placement within the participating newspaper is ultimately up to each individual paper.

NPAS and all participating newspapers reserve the right to reject any advertising copy submitted to them.

At the advertiser's request, NPAS will provide one tearsheet from one participating newspaper for each week the ad is scheduled.

Advertising will be rejected if not in compliance with state and federal regulations or if it appears to be false, misleading, fraudulent, libelous, defamatory, illegal, in poor taste, or for other good cause.

Individual newspapers reserve the right to properly classify, edit or reject advertising in compliance with local regulations, standards and policies.

The following are guidelines to be used in the acceptance of advertising, but do not and are not intended to reflect all specific policies of participating newspapers.

Advertisers must make known the name, street, city, state and phone number of the individual and organization submitting the ad order.

Commercial advertising must indicate that the ad was placed by a firm or an individual engaged in commercial enterprise by using the firm name or "broker" or "agent" or some other suitable term.

Ads requiring payment in advance for information or that requires sending money through the mail must be preapproved by the NPAS Sales Manager.

Advertising for weight control, appetite suppressants, and food supplements must be pre-approved.

No personal loan or mortgage ads unless from established, bona fide licensed lending institutions. Name of company will be required in ad.

No ads from companies selling information regarding Government Surplus.

Advance-fee credit card ads or ads which promise easy credit, debt consolidation, or which contain offers to instantly obtain credit cards must be pre-approved.

Advertising will be rejected that discriminates based on age, race, color, national origin, religion, sex or marital status except where legal restrictions prevail.

900 ads must meet all of the above conditions plus, if accepted, each ad must clearly state the cost per minute, hour or per call. There is a \$10 surcharge for 900 ads.

Cruise ship and similar travel ads are acceptable provided complete cost is disclosed in ad.

Acceptance of advertising may be subject to business and/or Better Business Bureau reference checks.

**Your order with prepayment must be received at the NPAS Office by Tuesday, 4 p.m., to run the following week.**
